FRIDAY FLYER

Newsletter No 9
22nd November 2019

Dear Parents and Carers,

With Christmas coming soon you might be thinking of buying new toys or gadgets that link to the internet. The internet brings lots of benefits, and also potential problems. Parents sometimes ask how they can keep up; here is a link to the excellent Childnet website with further links that explore the best approaches to common problems <https://www.childnet.com/parents-and-carers/hot-topics/> Have fun, stay safe!

We would also like to say thank you and good luck to Mrs Lyon-Taylor. **Mr R Stead**

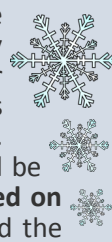

Over the course of last week, the children were set a challenge to run 432 miles for Children in Need, through their participation in the Golden Mile. We are delighted to report that they absolutely smashed it by running a total of 501 miles! Children ran representing their houses, so the final house tallies are: Horse Chestnut 126 miles, Cork Oak 122 miles, London Plane 122 miles and Blue Cedar 121 miles. Congratulations to all the dedicated pupils who put in such a good effort—what an amazing result! Well done to Pre-school too, who managed to run 10 miles on their little legs!

On Wednesday, Class 4 had an amazing time at Forest School with Mr Wederkopp. First, we played '1, 2, 3 Where Are You?' in the forest, which was fabulously fun. Next, we had to trust our friends and listening skills by following their voice while we were blindfolded, which was nerve-racking but fun! After that we split into 4 groups: in one group we tried to make a 30m conker run which could travel down a hill. In the next group, we were blindfolded and had to hold on to a rope whilst following our friend's instructions. This was nerve-racking, but fun! In the third group, we were 'sheep' and the farmer had to guide us into the 'field' whilst we were blindfolded. Finally, we were all joined together like a caterpillar and had to follow the leader blindfolded. We finished our morning with a yummy hot chocolate.

As we are approaching winter, we would like to remind you of the procedures in the event of severe weather conditions such as heavy snow or ice. In this event, it may be necessary to close the school for the safety of pupils and staff. The school may partially open if there is enough staff and non-curriculum activities will be planned for the day. If a decision is made in the morning to close the school, parents will be notified by a **Parentmail text and email, and it will also be published on the school website**. If the weather worsens during a school day and the decision is made to close the school, parents will be contacted via Parentmail to collect their children. For those children who travel on school transport, the school will ensure there is somebody at home to meet the child. We will keep children at school until they can be collected. Therefore, we ask that you ensure the school has up-to-date contact details for you. You can find this information on our [website](http://www.milvertonprimary.co.uk).

2nd Somerset Chess Grand Prix

On Sunday 10th November, the 2nd Somerset Chess Grand Prix was held at Bristol Grammar School. **12** of our children travelled up with their awesome Mums and Dads, seeking to earn a spot on the Somerset County Team. In total **6** of our children were placed in the medals; we had Teddy achieve a Runners-up medal in the U7 category, Bertie a runners up medal in the U8's, Adri won the U9 category outright, with a brilliant win against his nemesis from last year's finals day (well done, Adri!), whilst Finley picked up the Runners-up medal. In the U10 category George bagged a runners up medal and Amarra gained a Runners-up medal in the U11 section. Regardless of whether you won a medal or not, you were all stars! Thanks again to all the great parents for trekking up to Bristol on a Sunday! *Jamie Beviss*
