

End of Key Stage 1 Assessments

Teacher Assessment Results 2015

This table shows the percentage of eligible children achieving each level in the school in 2015. The number of children assessed at the end of Key Stage 1 was 30. W represents children who are working towards level 1, but have not yet achieved the standards needed for level 1. The shaded sections of the table represent 2014 national teacher assessment data for core subjects. Figures may not total 100 per cent because of rounding.
