

We Care. We Aspire. We Belong

Milverton Community Primary and Pre-School

Early Years Curriculum Goals  
**Pre-School**

Our curriculum goals link with our school values: We Care, We Aspire, We Belong. It is our aim that by the end of their time at pre-school all children will be able to achieve the following goals:

We show that we **care** for others and ourselves by knowing how to:

- Independently manage my self-care needs.
- Do up our own coat including zips, poppers and buttons
- Safely use cutlery to eat a meal
- Grow and care for a vegetable for harvesting in the reception year at Milverton School

We will **aspire** to:

- Hear the sounds in words and break and build them to orally blend and segment.
- Understand in depth the numbers to 5.
- Ride a balance bike confidently around obstacles.
- Make our own playdough.
- Explore different materials to create our own piece of artwork

We will show we **belong** to our school and local community by:

- Being able to communicate about our home lives and family.
- Clearly articulating our needs and wants.
- Being able to retell at least 2 nursery rhymes to others in our community.
