We Care. We Aspire. We Belong

Monday 14th September 2020

Dear Parents and Carers,

Firstly, we are sorry that you have to self-isolate and we hope that you and your family are ok. We would like to offer some level of educational support to your child if they are well enough. As you can imagine this is a tricky process as we could have at any moment a number of children off at any given time. We have looked through many of the online resources available to us all and for Years 5 and 6 we believe that the Oak Academy Trust lessons are by far the most suitable for this support.

The support package that Oak offers includes a video lesson from a trained teacher, visual material and independent learning that is then explained in detail. Your child can stop and start the tutorial at any point giving them some level of control and flexibility. There is also no need for further worksheets or printing. As you may be aware, each day Oak offers three distinct lessons (Maths, English and another subject). It is often that the maths and English work in two or more week blocks. Therefore, for English and other subjects we will suggest using the schedule outlined by Oak ensuring progression from Monday to Friday of each week. It is vital that your child begins the online learning process from the Monday of Week 1 irrespective. If they do this then your child will have progression in their learning throughout the blocks. For maths, we are intending to match the units of learning we are teaching in class with the units we ask your child to cover from Oak at the time of isolation.

In any English block, the texts that are used are not ones that we cover in class. However, all learning is linked to the development of the expectations for the year group that your child is in. Some of this however may still be revision depending on the time of self-isolating. As said above, Maths will mirror as far as possible what we are teaching in class. The other subjects will be based on expectations for the year group and can stand alone.

How might this work?

For example: Your child has to isolate from Thursday and feels well enough to carry on with home learning. You and your child could visit the Oak Academy Trust website at <https://www.thenational.academy/> and follow the instructions below.

Maths:

1. Click on 'lessons'.
2. Click on 'subjects'.
3. Click on 'show year groups'.
4. Click on your child's current year group.
5. Click on 'Maths'.
6. Click on the unit we are currently teaching in class. You can find this unit by either asking your child or looking at the timetable below.

Year 5

Click into the relevant block below to access the resources

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	Number: Place Value		Number: Addition and Subtraction		Statistics		Number: Multiplication and Division			Measurement: Perimeter and Area		
Spring	Number: Multiplication and Division			Number: Fractions					Number: Decimals and Percentages		Consolidation	
Summer	Consolidation	Number: Decimals			Geometry: Properties of Shape		Geometry: Position and Direction		Measurement: Converting Units		Measurement: Volume	

Year 6

Click into the relevant block below to access the resources

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn	Number: Place Value	Number: Addition, Subtraction, Multiplication and Division					Number: Fractions				Geometry: Position and Direction	
Spring	Number: Decimals	Number: Percentages		Number: Algebra		Measurement: Converting Units	Measurement: Perimeter, Area and Volume		Number: Ratio		Statistics	
Summer	Geometry: Properties of Shape		Consolidation or SATs preparation		Consolidation, Investigations and preparations for KS3							

7. Start at 'Lesson 1'.

8. Progress through the lessons accordingly.

English and other subjects:

1. Click on 'lessons'.

2. Click on 'schedule'.

3. Click on your child's current year group*.

4. Scroll down to the bottom of the page to 'Week 1'.

5. Click on Monday and work through the English and the other subject available on a day-to-day basis (to maintain progression).

*If your child struggles with this year group's work then please guide them to lessons from an earlier year.

Best wishes,

Miss Brown and Mr Coupe
