

We Care, We Aspire, We Belong

Milverton Community Primary and Pre-School
Early Years Curriculum Goals
Reception Year

Our curriculum goals link with our school values: We Care, We Aspire, We Belong. It is our aim that by the end of their time in Reception all children will be able to achieve the following goals:

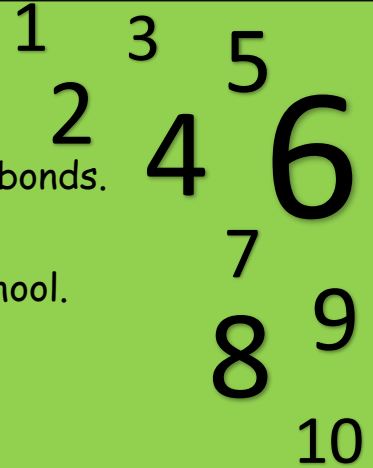

We show that we **care** for others and ourselves by knowing how to:

- Take turns with a small group of children to play a board game without adult support.
- Change into our PE kit independently, including shoes and socks.
- Safely using scissors to cut complex shapes.
- Care for animals that live in our school pond by understanding their life cycle.

We will **aspire** to:

- Read simple sentences containing phonemes and digraphs.
- Understand in depth, the numbers to 10, including number bonds.
- Ride a two-wheeled pedal bike confidently.
- Make vegetable soup from the vegetables grown at pre-school.
- Find out about a famous artist and recreate their style.

We will show we **belong** to our school and local community by:

- Being able to ask questions about the home lives and family of others.
- Showing determination and resilience to complete a new goal.
- Being able to retell at least two traditional tales to others in our community.
