30 April 2021

Dear Parents

Welcome back to the Summer Term. Please refer to this term's quest overview attached to find out more about our learning this term. The children have come back to school and are already working really hard and we are looking forward to learning together for the rest of the Summer Term. Our routines are very similar to the Autumn Term; please take note of the information below.

- Children are now getting changed for PE, so please make sure that children have their PE kits in school.
- When your child has completed their reading book, please ask them to return it to the box in the classroom. These books will then be 'quarantined' for 72 hours before being put back onto the book shelf. Children are expected to read at least 4 times a week to an adult at home, this needs to be signed off in their reading folders. On a Monday children will be asked to show their reading record to a member of staff.
- Spellings and times tables will be sent home each Monday on parent mail. The children will have a week to learn their spellings and times tables and then be tested the following Monday in class.
- Weekly MyMaths will be set every Monday. Children can then ask an adult in school throughout the week if they need support with this.
- If your child is being collected by somebody different, please email this information through to the school office – [office@milvertonprimary.co.uk](mailto:office@milvertonprimary.co.uk)
- Our quest this term is "Time Flies By". There is an overview of the learning planned for this term's quest attached for you to see.
- The children will be doing Forest School this half term during the morning of 9<sup>th</sup> June. The children will need to wear old clothes and have a change of footwear.
- Please send your child to school with a drinks bottle with water, preferably with a sports lid/straw to prevent spillages. Due to current restrictions we no longer have cups in the classroom or the water fountains available.
- This term in PSHE we will be learning about our bodies, please refer to the PSHE policy on the school website for further information.

Thank you for your continued support.

Best Wishes

Mrs Jane Nicholls and the Year 4 Staff Team
