We Care. We Aspire. We Belong

Friday 30th April

Dear Parents / Carers,

It is lovely to have the children back after the Easter break; they have been so keen and enthusiastic in their learning so far.

This term our whole school quest is 'Time Flies By'. I have planned a variety of learning experiences that are categorised on the attached quest coverage leaflet. We will cover a range of curriculum areas including, music art, geography and history as well as the core subjects of English, maths and science.

Reading

Reading logs and a selection of books will be given to your child on a Monday. The reading log and books will then need to be handed in on the following Monday to be checked and changed. Please make sure that your child brings in their reading log and books each day so that we can listen to them read in school. Please keep up the fantastic work of listening to your child read as much as possible during the week, just 10 minutes every evening can make a huge difference.

Phonics and spellings

The children will continue to learn phonics and spellings every morning to support their reading and writing skills. They will be given a set of spellings each week, which are linked to the work we have completed in phonic sessions.

The children will continue to have spellings set on a Monday and tested on the Friday of that week. The spellings will be emailed out for the children to work on during the week at home. You may wish to print out the spellings or the children can work on them using an electronic device. Please support the children with their spelling work at home.

PE

In Class 1, we will continue to have PE sessions on a Tuesday or Thursday. We may also complete some golden mile running at other times in the week, so please make sure that your child has their PE kit in school every day.

Sunny weather

With summer fast approaching, we hope for warmer weather. Please can you make sure that the children continue to bring their named water bottles as well as sun hats. Can we remind parents that we are not allowed to apply sun cream, therefore please ensure this is applied at home before the children come to school.

Communication

Communication will continue to be online via the class email addresses or ParentMail.

I hope you find this information useful and I look forward to an enjoyable final term with the children.

Best wishes,

Rebecca McDonagh
