Dear Captain America

I am writing to you to say that we got your letter about joining our class and I feel very strongly that you must be a part of Class 1.

*Firstly*, we care about each other. We show this by thinking about each other's feelings and looking after other people in the class.

*Secondly*, we aspire to be the best that we can be. We work hard and make sure we do our very best every day.

*Finally*, we make sure that everybody feels like they belong. We do this by understanding that we are all different but we must be kind and show respect at all times.

I believe that these things make us the perfect place for a superhero to be so please come and join the super Class 1.

Yours sincerely

Mrs Atterton
