Thursday 18<sup>th</sup> June 2020

Dear Parent/Carer,

### **Ref: Coronavirus Update**

We hope that you and your family are safe and well.

I have some updates on our students returning to school:

#### **Year 10**

Our year 10 students returned to school this week. It was lovely to welcome them back.

This return followed detailed planning to ensure that the school was safe for all staff and students. There is a link on our website which shows the preparations that were made and the physical changes to the school.

The year 10s will be starting to catch up on the work that was missed. They will also be set work over the summer to help them prepare for GCSEs next year. The attendance this week was 60% (143 students), which is pleasing in the circumstances. I do hope that the rest of year 10 will return next week. If you have any concerns, please contact the school office.

Year 10 students should also be completing their on-line work until the end of term. Their teachers will be on-line every day setting work and giving support/feedback.

#### **Year 7, 8 and 9**

It is now clear that years 7, 8 and 9 will not be returning to school until the start of the autumn term. We will continue to set work and support students on-line. We are very grateful for all of the support that you have given to your children with their learning from home.

### **Next Year**

As yet, we have had no information from government about schools reopening in the new school year. As soon as we have this information I will write to you again.

We will continue to keep all parents and students informed about developments by letter and on our website.

If you have any concerns or questions as we start to communicate our future plans, please contact the school office.

Yours sincerely

**Mr B Killeen**  
**Principal**
