Tuesday 16th November 2021

Dear Parent/Carer,

I hope that this letter finds you safe and well.

Social Media Harassment of Staff

In common with many other schools, we have recently experienced some harassment of staff on social media by a few of our students. I am sure that you agree that such behaviour is unacceptable. This seems to be a particular issue on TikTok at present. I would ask for your support in checking your child's phone regularly. I ask that you check all social media accounts and speak to your child about only posting acceptable content.

When we find that any unacceptable content has been posted we will contact the police and the social media company. We will also impose sanctions on any students involved.

Covid Testing

I urge you to ensure that your son/daughter completes two lateral flow covid tests each week. These tests ensure that students who have the virus remain at home. This contributes to keeping us all safer. The results of the covid tests can be reported to school here:

[Reporting Covid Test Results - Students](#)

Year 11 Mock Exams

Our year 11 students will be sitting their mock exams between 15th and 26th November. All year 11 students have a timetable for these exams. We are encouraging them to work to work very hard for these important exams. We will be basing our predictions for college applications on the outcome of these assessments. If your son or daughter is in year 11; we ask for your support in ensuring that students revise thoroughly for these exams.

Thanks, as always, for your support. If you have any questions or concerns, please contact the school office.

Yours faithfully,

Mr Killeen
Principal
