

# Moat Community College

Monday 28<sup>th</sup> June 2021

Dear Year 11 student,

On Thursday 12<sup>th</sup> August schools will be issuing GCSE and other examination results to students. In normal years we would be looking forward to welcoming you onto site for to receive them in person.

Unfortunately, due to present situation this won't be able to happen this year. Instead, we intend to send you the results you have achieved by email after 8.30am on Thursday 12<sup>th</sup> August. We will be using your school email to do this.

If you are unable to receive this email on that date, can you please let me know at least a week beforehand on [dbuckle@moat.leicester.sch.uk](mailto:dbuckle@moat.leicester.sch.uk) and we can make arrangements for your results to be sent in the post. Please note that we cannot post result letters until 8.30am on results day, therefore the earliest you will receive your results will be on Friday 13<sup>th</sup> August.

From 9am on 12<sup>th</sup> August onwards, our administration staff will take calls to book appointments, if needed, for you to discuss your results with a member of the school careers team. You may feel you need some support if your results are either better or worse than you expected.

Best wishes for the future.

**Mr Buckle Vice Principal**
