

Moat Community College

Anti-bullying Policy

Rationale

The aim of our anti-bullying policy is to:

- clarify for students and staff what bullying is and that it is always unacceptable.
- explain to staff, students and school community why bullying and harassment occur and their impact on individuals and the college as a whole.
- provide a secure, stimulating, positive and mutually respectful and inclusive environment for learning.

Moat Community College also intends:

- To involve the student council in any planning, discussion and dissemination of any work related to anti-bullying.
- To have in place an anti-bullying support system, that all staff and students understand and to apply the system consistently.
- To regularly monitor and review the policy with the full involvement of staff, student, parents/carers and the wider school community.

What is bullying?

Bullying in school can be broadly categorised into three types

1. Physical Bullying

Hitting, kicking, pushing, spitting at, taking belongings and any other form of violent behaviour directed at a person.

2. Verbal Bullying

Name calling (to an individual or directed at friends or family), racism, homophobic remarks, making any other offensive remarks or threatening behaviour.

3. Indirect Bullying

Spreading malicious rumours, social exclusion, text messaging, e-mails and chatroom comments.

Procedures

A. What we do to prevent bullying

Everyone involved in the life of the college must take responsibility for promoting a common anti-bullying approach by being supportive of each other, providing positive role models and conveying a clear understanding that we disapprove of unacceptable behaviour (but not the student), and by being clear across the school that we follow college rules. All members of the college community are expected to report incidents of bullying.

1. Staff

Staff have a vital role to play as they are at the forefront of behaviour management and supporting children's sense of well being in college. They have the closest knowledge of the children in their care and should build up a relationship involving mutual support, trust and respect.

We expect staff will:

- Provide children with a framework of behaviour including class rules which supports the whole college policy.
- Emphasise and behave in a respectful and caring manner to students and colleagues, to set a good tone and help create a positive atmosphere.
- Provide children with a good role model in terms of behaviour and attitude.
- Raise awareness of bullying through tutorial work, assemblies, student council, PSHE and citizenship, RE and other curriculum areas.
- Through the Principal, keep the governing body well informed regarding issues concerning behaviour management.
- Pass on any concerns to an appropriate member of staff.
- Provide key staff members to have overall responsibility for the two key stages and who will manage any concerns
- Provide a key staff member who is responsible for the monitoring of the policy – currently Mr D Buckle, Vice Principal.

2. Parents/Carers

We expect that parents/carers will understand and be engaged in everything that is being done to make sure their child enjoys and is safe at college:

- Support us in helping us meet our aims.
- Feel confident that everything is being done to make sure their child is happy and safe at college.
- Be informed about and fully involved in any aspect of their child's behaviour.
- Be informed about who can be contacted if they have any concerns about bullying.

3. Governors

We expect that governors will:

- Support the principal and the staff in the implementation of this policy.
- Be fully informed on matters concerning anti-bullying.
- Regularly monitor incident reports and actions taken to be aware of the effectiveness of this policy.

4. **Students**

We expect that students will:

- Support the principal and staff in the implementation of the policy. This might involve contributing to agreed approaches designed to reduce bullying or better deal with incidents that arise.
- Be involved in the monitoring and review of the policy.
- Feel confident that everything is being done to make college a safe and secure environment for them to achieve and learn.
- Feel supported in reporting incidents of bullying.
- Contact a trusted member of staff as soon as possible after a bullying incident takes place and clearly relate what has happened.
- Be reassured that action regarding bullying will take place.

B. Reacting to a specific incident

Recording

All incidents in or out-of-class should be recorded. Incidents clearly identified as bullying must be reported to a senior member of staff (Principal/ vice principal)

The parents (of both bully and person bullied) need to be informed of what has happened, and how it has been dealt with.

Dealing With An Incident

Whenever a bullying incident is discovered Moat Community College will go through a number of prearranged steps. The exact nature of each step will depend in part on the nature of the incident and those involved.

2. Moat Community College expects to support all involved by:
 - Talking through the incident with bully and person bullied
 - Helping the bully and victim to express their feelings

3. Sanctions may include:
