Information for parents to help them secure equipment and facilities for their child	Parents are informed about how facilities and equipment for their children will be secured: • Parents are involved in all stages of the referral process involving outside agencies. • Parents are offered advice and support regarding securing equipment and services for students with SEND
The arrangements for consulting parents of children with special educational needs about, and involving such parents in the education of their child	Parents are contacted by the following channels: • Reviews • Phone calls • Parents evenings • Directly by the Educational Psychologist • Text messages • EWO • Emails from teachers and SEND team, including external agencies
The arrangements for consulting young people with special educational needs about and involving them in their education	Young people with special educational needs are consulted using the following methods: • School Council • Annual reviews • EPEPs • College Ambassadors • Key staff for SEND pupils • Lunch Clubs • Open and friendly SEND/EAL department where students feel comfortable to speak about their needs.

Arrangements made by the governing body relating to the treatment of complaints from parents of students with special educational needs concerning the provision made at the college.	If parents wish to complain: • Moat Community College follows the Local Authority Complaints procedure. In the first instance please contact the college on: Tel: 0116 262 5705
How the governing body involves other bodies, including health and social services bodies, Local Authority support services and voluntary organisations, in meeting the needs of students with special educational needs and in supporting the families of such students.	The Governing body ensures the staff at Moat Community College meet the needs of young people with SEND by: • Ensuring they have access to appropriate support through both statutory and voluntary agencies. • The Governor with responsibility for SEND, Mrs Anne Steventon meets termly with the SENCO.
Support services for the parents of students with special educational needs, including those for arrangements made in accordance with section 32.	http://www.autism-society.org https://www.tourettes-action.org.uk http://www.adhdfoundation.org.uk http://www.bdadyslexia.org.uk https://www.cysticfibrosis.org.uk

The college's arrangements for supporting pupils with special educational needs in a transfer between Primary and secondary school.	Students are supported for the transition from primary school to secondary school: • The SENCO meets with SENCO of primary schools to pass on information and ensure support for students continues. • The SENCO meets with professionals from outside agencies at a handover meeting to plan for continued support. • Students with complex needs have individualised transition plans incorporating pre-visits of key staff to primary school
The college prepares students for the transition between secondary education and FE college	Students are prepared for the transition to FE college: • Students with EHC plans meet Connexions advisors at the year 11 statutory review in the autumn term. • Connexions will liaise directly with these students and parents to identify a suitable course and provide support through transition. • Vulnerable students have appointments to meet career advisors at various stages in year 10 and 11. • The SENCO passes information to the support departments of the colleges when a place has been accepted • In some cases, the SENCO is invited to the colleges to meet with professionals to help plan a support package. • Visits are arranged for vulnerable students to look around the colleges with SEN teachers and TAs from Moat • Vulnerable students may be accompanied to college interviews by
The college prepares students for adulthood and independent living	• The school provides a balanced PHSE curriculum. • The school offers Skills for Life course to students who need support with the transition to adulthood • EHC transition meetings • Careers interviews
The Local Authority's local offer is published on Leicester City Council's website	https://families.leicester.gov.uk/send-local-offer/
