Dear Parent/Carer,

I hope that you are well and enjoying the easing of covid restrictions.

I'm sure that you are aware that covid case rates have started to increase sharply in Leicester and across the county. Thankfully many people are now fully vaccinated, however we still need to be very cautious. In school a number of staff and all our students are still unvaccinated.

If you have agreed that your son/daughter should take part in Lateral Flow Testing, could you ensure that this is carried out twice per week.

The test result should be report to school via this link:  
[Student Covid Test Reporting](#)

It should also be reported dot the NHS via this website:  
<https://www.gov.uk/report-covid19-result>

Thank you for your support with our testing programme. It makes an important contribution to keeping us all safe at Moat.

Thank you for your continued support.

Yours sincerely,

**Mr Killeen**  
**Principal**
