Dear Parents

BIRTHDAY CELEBRATIONS

As you know, because of the pandemic, we have not been able to socialise in the same way or celebrate as we used to. Many of our children have missed spending time with their friends particularly on their birthday... like Martha in Year 3. She decided to write to the Queen about how she missed having a birthday party this year and received a reply all the way from Windsor Castle!

When I learned about this I decided that maybe we could help the children celebrate their birthdays in school with their class mates as other schools are doing. So, on the last Friday afternoon of each month we will hold a birthday party within each class for all those children who have a birthday that month. Our first party will be Friday 29th November and we will celebrate all those children who had a birthday in September, October and November. After this, the parties will be held for birthdays each month.

Children should all bring in an extra treat from home to eat at the party (e.g. cake, crisps) in addition to their lunch but no items should contain nuts. **NO FOOD WILL BE SHARED.** School will provide games and activities and a cake from our school kitchen for the birthday children to take home. All children must wear school uniform.

I hope that this will support our children with their mental well-being and restore some normality during the COVID restrictions.

Regards

Jane King
