Purpose

All schools are required by law to have a compliments, concerns/comments and complaints policy. This policy should help resolve problems and provide a means for issues of concern to be raised and subsequently addressed. All complainants will be treated respectfully during and after the course of any complaints investigation and will receive a written response to their complaint, unless appropriate and reasonable measures have been put in place as a result of the 'Persistent and/or Malicious Complainants' policy set out below.

A complaint is	an expression of dissatisfaction about the school's action or lack of action, or about the standard of a service, whether the action was taken by the school itself or a person acting on behalf of the school.
A concern/comment is	a personal opinion or belief, feedback or remark expressed by a stakeholder. Where the stakeholder indicates they expect a reply, or where it is otherwise thought appropriate to do so, this should be dealt with as general correspondence.
A compliment is	defined as a statement of positive recognition or praise for a service or individual. Where appropriate managers may acknowledge compliments.

Compliments procedure

Compliments are always welcome and can be made formally – either direct to particular members of staff concerned or to the relevant manager or formally through the policy. Written compliments may be sent to the following address: Moat Hall Primary School, John's Lane, Great Wyrley. Staffordshire WS6 6BX.

If you would like to email, please use the following address office@moathall.staffs.sch.uk and include "formal compliment" in the subject line.

On receiving a formal compliment, a copy will be filed centrally and details recorded.

Legislation and guidance

This document meets the requirements of section 29 of the [Education Act 2002](#), which states that schools must have and make available a procedure to deal with all complaints relating to their school and to any community facilities or services that the school provides.

It is also based on [guidance for schools on complaints procedures](#) from the Department for Education (DfE).

In addition, it addresses duties set out in the [Early Years Foundation Stage statutory framework](#) with regards to dealing with complaints about the school's fulfilment of Early Years Foundation Stage requirements.

General Principles regarding concerns and complaints:

- This procedure is intended to allow you to raise a concern or complaint relating to the school, or the services that it provides.
- An anonymous concern or complaint will not be investigated under this procedure, unless there are exceptional circumstances.
- To enable a proper investigation, concerns or complaints should be brought to the attention of the school as soon as possible. In general, any matter raised more than 3 months after the event, being complained of, will not be considered.

Raising a concern or complaint

Informal Stage

It is normally appropriate to communicate directly with the member of staff concerned. This may be by letter, by telephone or in person by appointment, requested via the school office. Many concerns can be resolved by simple clarification or the provision of information and it is anticipated that most complaints will be resolved by this informal stage.

In the case of serious concerns it may be appropriate to address them directly to the Head Teacher (or to the Chair of the governing body, if the complaint is about the Head Teacher).

If you are uncertain about who to contact, please seek advice from the school office or the Clerk to the governing body.

Formal Stage

If your concern or complaint is not resolved at the informal stage you may choose to put the complaint in writing and pass it to the Head Teacher, who will be responsible for ensuring that it is investigated appropriately. If the complaint is about the Head Teacher, your complaint should be passed to the Clerk to the governing body, for the attention of the Chair of the governing body.

A Complaint Form is provided to assist you.

You should include details which might assist the investigation, such as names of potential witnesses, dates and times of events, and copies of relevant documents.

It is very important that you include a clear statement of the actions that you would like the school to take to resolve your concern. Without this, it is much more difficult to proceed.

Please pass the completed form, in a sealed envelope to the school office. The envelope should be addressed to the Head Teacher, or to the Clerk to the governing body, as appropriate.

The Head Teacher (or Chair) may invite you to a meeting to clarify your concerns and to explore the possibility of an informal resolution. If you accept that invitation, you may be accompanied by a friend, if you wish, to assist you in explaining the nature of your concerns.

It is possible that your complaint will be resolved through a meeting with the Head Teacher (or Chair). If not, arrangements will be made for the matter to be fully investigated, using the appropriate procedure. In any case you should learn in writing, usually within 10 days of the school receiving your formal complaint, of how the school intends to proceed. This notification should include an indication of the anticipated timescale.

Any investigation will begin as soon as possible and when it has been concluded, you will be informed in writing of its conclusion.

If you are not satisfied with the manner in which the process has been followed, you may request that the governing body reviews the process followed by the school, in handling the complaint. Any such request must be made in writing to the clerk to the governing body, within 10 school days of receiving notice of the outcome, and include a statement specifying any perceived failures to follow the procedure. The procedure described below will be followed. A Review Request form is provided for your convenience.

Review Process

Any review of the process followed by the school will be conducted by a panel of three members of the governing body. This will usually take place within 10 school days of receipt of your request.

The review will normally be conducted through a consideration of written submissions, but reasonable requests to make oral representations should be considered sympathetically.
