

MOAT HALL PRIMARY SCHOOL

CORONAVIRUS UPDATE

If your child is ill and you are worried about Coronavirus please contact NHS 111. You should not go to your doctors, health centre or pharmacy.

Parents should only keep their child off school on the advice of Public Health England or following NHS 111 advice.

If you have been advised by a medical professional to “self-isolate” your child, please contact the school and let us know. Your child will then not receive an absent mark.

Parents remain responsible for ensuring that children attend school when it is open. Whilst recognising the anxieties that some parents may have, if a parent simply keeps their child off school without a valid medical reason then their absence will be recorded as unauthorised.

Please keep promoting good hygiene with your children and use trusted information sources from the NHS and government. Please do not speculate on social media.

IF the country moves to the Delay phase it will become important that individuals with symptoms refrain from attending educational settings for 7 days and self-isolate. **We are currently still in the Contain phase but we will advise you when we move into this phase.**

The helpline details are as follows:

Phone: 0800 046 8647
