

## KEYWORKER INFORMATION REQUEST

As you are aware, the Government has decided to close schools and early years' settings from next Monday. In order to assist parents who are regarded as key workers i.e. armed forces, NHS workers, police, care home workers, supermarket delivery drivers etc we need parents to let us know if you will be requiring childcare support from school. We need to know about both parents please.

We would be grateful if you could email, preferably from your works' address, or call the school office, or return the slip TOMORROW and let us know if you think you fall into the key worker category and if you require the use of our provision for the immediate future.

When we have the confirmed list of key workers from the Government later today we will inform those parents tomorrow whose child will be offered a place at school.

We appreciate the support of our school community as we continue to provide the best possible solution for our pupils during these challenging times.

Jane King
