

GUITAR AND UKULELE LESSONS AT MOAT HALL PRIMARY SCHOOL

Unfortunately, group lessons are not possible due to schools having to maintain separate bubbles of children, so children are offered individual guitar and ukulele tuition during school hours whilst maintaining social distancing and hygiene practices.

The lessons will be socially distanced individual ones, 20 minutes one to one for the half price rate of £6.50. This is actually a far better option for the students as they will have a lesson focused specifically upon teaching them rather than learning as a group and the cost is half the amount of my normal private tuition rate. This will ensure that students who still wish to learn an instrument in school are able to do so despite the upheaval that coronavirus has caused.

If your child would like to have lessons at school, or private lessons at the studio, please contact office@moathall.staffs.sch.uk in the first instance.

Regards

Steve Gardiner
