"Pupils feel safe and happy." -Ofsted 2020*

Dear parents/carers,

## SUMMER TERM

I am writing as we look to start a new term of 'remote' learning for your children after what will have been a very strange and different Easter break. We have all had to adapt to new ways of working, so I wanted to take the opportunity to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

I know these are challenging times, so it's ok if you and your child feel anxious or worried at the moment but remember that we are here for you every step of the way as we figure this all out together. Remember, if you have any concerns about helping your child learn or you need any other support from the school, please let us know by DOJO for your class teacher to respond or [enquiries@moathall.staffs.sch.uk](mailto:enquiries@moathall.staffs.sch.uk) for a member of SLT to contact you.

We miss the children very much, but we must follow the government's guidance to keep everyone in our community safe. So, we're carrying on with setting work online for the children to complete as best as they can. Just because we're not all in the same building, doesn't mean we can't have some fun together! Your children will have lots of activities to keep them occupied over the summer term – so keep a close eye on DOJO where they will appear.

Teachers are keen to receive feedback on any activity or task the children have undertaken at home. Please keep sending their work in via DOJO or emailing pictures to the above address as we can share and celebrate them on our website. We may even attempt to award some virtual 'Wonder of the Week' certificates!

As for school closure, I have no more information about when we will re-open as we await instructions and guidance from the Government. Please rest assured that we will continue to do our utmost to keep your child learning and our school community connected.

I would like to thank you all for doing the 'right thing' and helping to save lives. Let's keep up the good work this summer term and keep healthy, happy and at home making learning fun!

Warm regards,

*Jane King*
