Moat Hall Primary School has clear procedures and systems for identifying, recording, reporting and reviewing safeguarding and child protection concerns. Please ask at reception for further information.

We all have a responsibility to follow School Policy and report any safeguarding concerns that we may have. If you have any safeguarding concerns, please log your concern and report it immediately to one of the most senior qualified member of staff that is available above. If the concern is regarding the most senior staff, please report to the Lead Designated Governor, Mike Deakin.

Our school procedures for safeguarding children are in line with the Staffordshire Safeguarding Children Board (SSCB)

'Where children come first.'
