## Term 3- Gods and Mortals

*'Every child is special'*

#### English

Our new topic, *Gods and Mortals*, focuses on the *Ancient Greeks*. Week 2 sees the launch of our new topic, beginning with an *Ancient Greek* day on Monday 13<sup>th</sup> January. We will be writing character profiles of *Greek Gods*, then exploring *Greek myths and legends*, writing diaries as *Icarus and Daedalus*. Using instructional writing we will instructions of how to build a *Trojan horse* and rescue *Helen of Troy*. In *myths and legends*, we will learn about *Theseus, the Minotaur and the Labyrinth*, writing our own *myths*. Our final week is the *innovation week* where the children will find a *mysterious padlocked box*, perhaps this is *Pandora's box*? We shall see. For your information, I have also provided a *higher-level writing task* for our topic homework which asks the children to write a story which has 3 chapters. This is designed to provide a challenge to children who are already *higher-level writers* or who wish to challenge themselves further.

#### Science

In Term 3 we will be developing our knowledge of *Animals including humans* further, learning about *nutrition, the purposes and structures of skeletons* and how *muscles help us to move*. In the final week we will investigate- *Why did Icarus fall from the sky?* Building *wings*, then testing them under a variety of *environmental conditions*.

#### Maths

The need to continue to improve our *times table knowledge* continues, both in class and for home learning. I have, however, given an option to those who are already *totally secure* in their *times table knowledge*, an *alternative calculation practice booklet* for home. In lessons we will continue to develop our *understanding and skills* in *multiplication and division*. Then begin to explore *calculation of area* and begin to work on *fractions* in the final week of term, which will continue into Term 4.

#### General

Welcome back to the start of Term 3, we hope you all had a lovely Christmas and wish you all a very happy New Year. Our topic for this term is *Gods and Mortals*. We will be finding out about *Ancient Greek myths and legends; Greek Gods and Goddesses; how Ancient Greeks lived compared to nowadays, the Greek language and what Greece is like today*. Our first week is *Geography week* in school and *Class 3* will be finding out about the country of *Brazil*.

#### ICT

Following a recap on how we stay safe when online both at home and at school, our new unit is '*We are presenters*'. We will learn how to film ourselves, then use *technology* to edit and improve our recordings.

#### RE

In RE we will focus our learning on the *Gospel*, exploring the big question, what kind of world did Jesus want?

#### PE

The children will work with *Team Theme* on a *Tuesday afternoon* developing their *gymnastic and dance skills*, continuing on into club after school.

### Foundation subjects

**History-** The Ancient Greek, who they were, how they lived and where forms the focus of our new unit, Gods and Mortals.

**Geography-** Week 1 is Geography week where Class 3 will be learning about Brazil- where in the world, exploring both physical and human aspects of the country. We will then investigate Greece, comparing ancient and modern-day maps, comparing human and physical aspects of the country.

**Art-** Art of the Brazilian Rainforest/ Carnivals. Using clay to sculpt Gods and Goddesses. Greek pottery and how they portray myths and legends.

**Design Technology-** Design a new set of wings for Icarus

**French** - Exploring the language and culture of Brazil- Portuguese greetings. French- On fait la fete- celebrations

**Music** - beginning to learn the songs for our production in Term 4

### Vocabulary

Below are some words that the children will come across during their learning that they might be unfamiliar with that you might like to help them understand:

<u>Science</u>	<u>Topic</u>	<u>Maths</u>	<u>English</u>
Nutrients	labyrinth	multiplication	myth
Nutrition	minotaur	division	legend
Fibre	mortal	inverse	profile
Minerals	divine	remainder	imperative
Fats	hydria	fraction	clause- main and subordinate
