Head of School: Chris Marston

Friday 2nd December 2022

Dear Parents and Carers,

Monday 5th December marks the final CodeKids session of this term however, we would love your child to carry on next term. After lots of hard work we have managed to continue the funding from KCC towards the cost! Meaning that although it will continue to come at a cost it will still be reduced by 75% so we can offer this fantastic club at £2.50 a session (£12.50 for a five-week block).

This club will continue to be limited to 20 children but you have first choice at the spaces. It will run for 5 weeks on a Monday 3.15-4.15pm from **Monday 9th January to Monday 5th February 2023**. As this is a paid club once you know your child has a place, schoolmoney will be set up to allow you to pay. It will be vital that the £12.50 is paid before the sessions begin to secure your place for the term.

We cannot wait to see the children continue in this club and to raise the profile of Computing in our School. They have enjoyed it so much that I am so excited to be able to continue it for them.

Any questions please email jguild@mandm.school and please complete the form below to show your interest in this club.

Name of child: _____ Year group: _____

My child is interested in attending the Code Kids Minecraft Club starting Monday 9th January and I agree to pay £12.50 for the term via schoolmoney before the club begins.

Signed: _____ Date: _____
