Dear Parents,

We are now in a position where we are ready to start our on-site Forest School sessions. Each class will be timetabled in for a Forest School session every four weeks. Please see the timetable below which shows when your child will be attending Forest School.

As you can see from the schedule, forest school will be all morning on a Friday and will be delivered by Forest School trained staff. The children will be learning fire safety (with maybe s'mores if they are lucky), tool making and using, carving, den building and much much more – it's a very exciting curriculum!

In order to ensure that children do not get too messy, it is essential that they bring in spare footwear and waterproofs on their allocated days. Some children in school may already have wellies whereas many children have now outgrown the wellies they first brought to school many moons ago!
