#### **Highlight of the Week**

##### **Class 1**

What a special week it has been for the children in Class 1. A firefighter visited early on in the week and then a police officer visited midweek! It's great to be able to invite guests back into the school.

##### **Class 2**

Class 2 have been learning all about Neil Armstrong which is great prep for next week's Space Day! This week, the children have been journalists and have written some awesome newspaper articles about the first moon landing!

##### **Class 3**

Designing Christmas cards?!! Christmas cards in September?!!! Watch this space as the children have had to design the Christmas cards so they can be created and then bought in time for Christmas!

##### **Class 4**

Class 4 have loved embracing a new pupil into the group this week. What a lovely thing to say and this just shows how caring and loving the children are here at Monkton.

**IN GOD'S EYES, EVERYONE IS SPECIAL**

#### **Space Day – Donations Needed**

On **October 4<sup>th</sup>**, we will be holding a Space Day as part of World Space Week!

On this day, all the children will be designing and creating their own Martians as well as designing a rocket that can take off. The day will be all about STEAM (Science, Technology, Engineering, Art and Maths)

To make the rockets, we may need to use boxes, tubes etc. If you have anything that you think would be useful, instead of throwing it away, could you please wash it (if washable) and send it in with your child in a named bag. Thank you.

Hopefully, we will be holding an event later in the day or week where the work can be put on show. Watch this space!

#### **Parent Consultations - 12<sup>TH</sup>**

**October** - This will be face2face. To book a time, you will need to be signed up to the Arbor Parent Portal. You will be receiving a letter about this today.
