Highlight of the Week

Class 1 – The children in Class 1 have today been painting and creating poppies to mark Remembrance Day. All of their paintings will be sent to our current serving troops – I am sure it will give them all a boost! Well done, Class 1.

Class 2 – If you were driving past school yesterday afternoon, you may have seen 30 pairs of eyes staring at you as the children in Class 2 were conducting a local traffic survey and using the data to become increasingly eco-aware. Apparently, a lot of white vans drove by!

Class 3 – Finding different ways to make different shapes with the same area – that sounds like a tongue twister!! Great maths problem solving, Class 3!

Class 4 – The children have today written letters to the armed forces, thanking them for their service. I am sure our brave service women and men are going to love reading these!

Coats and Waterproofs!

The weather is definitely getting a little colder now and the rain is lashing down every now and again so please make sure you send your child in with a waterproof coat/warm coat every day.

Parent/Child Survey

Thank you to everyone who has helped their child fill out the survey. I’m getting some invaluable feedback and now have lots of plans to put into action to help make your child’s education and well being even better here at Monkton. The survey is still open until Wednesday if you get the chance.
