Highlight of the Week

Class 1 – Getting changed in PE!!! Quite a feat but one all children accomplished taking clothes off and putting kit on!

Class 2 – The children have been fine-tuning their programming skills in computing using the program, Scratch. Children learnt to add speech bubbles to characters and moving backgrounds.

Class 3 – Those vicious Vikings have been documented in non-chronological reports this week! The children wrote about all-things Viking including their helmets, who they invaded and Viking Gods.

Class 4 – The children really enjoying perfecting their passing skills during rugby where they had to throw quickly and precisely, hitting a target. Future Own Farrells maybe?

FAB WORK EVERYONE!!

Parking

I have had an email from the parish council asking for parents to be more considerate when parking at drop-off and collection times. Please respect our neighbours and park only in places where you are allowed to without inconveniencing the local residents. Thank you

England v Iran

The children have the option of watching the match on the big screen or doing work linked to the World Cup – they could do both! Whatever they do, let’s hope the children are inspired by it and feel part of such a worldwide event.
