Head of School Update

This week we have introduced children to having a ‘Growth Mindset’. To do this, we are using something called The Learning Pit’.

In every lesson, good learning can only take place if the children are challenged and able to make connections with other skills they have learnt (prior knowledge). We use the analogy of presenting a challenge to your child as ‘putting them in the learning pit!’. In order to climb out, they must use tools in their backpack which will help them overcome a challenge and learn well. Ask your child about it – they love being thrown in the pit!

A Message from the Sweetie Police

Over the last week or so, I have seen and heard about children bringing sweets onto school premises. Please make sure children eat sweets outside of school and they are given to children off the school site.
