#### **Class Highlights of the Week**

**Class 1** – Run, run as fast as you can, you can’t catch me, I’m the Gingerbread Man! The children had great fun making and decorating their gingerbread people although apparently, my one ran away!!

**Class 2** – It may be cold outside but that didn’t stop the children from putting their wellies on and exploring minibeasts out in our playground. They’ve produced some absolutely brilliant writing about butterflies and spiders as well! I hope the children can share their writing with you soon.

**Class 3** – Science as well and this had chocolate! The children learnt about solids changing to a liquid by melting chocolate. They told me this was a reversible change! Great vocabulary, Class 3.

**Class 4** – Not Science, but computing! Jake told me all about how the children had been learning how to do coding and programming so that they could make buzzers light up, motors go fast and slow and other components move forwards and backwards. Great work!

**Super learning this week!!**
