School Vision

Compassion, Courage, Justice - Jesus said, 'Go and do the same.'

Our school has compassion at its heart, which inspires us to be people of courage, who care for ourselves, stand with others and seek justice as we grow and discover the world around us.

By knowing each individual, our learning environment is shaped to encourage creativity, promote challenge through our learning values and nurture spirituality, ensuring all thrive.

We want the best for each individual with whom we share our lives, and we want everyone to be part of our loving school family.
