Executive Headteacher: Mr P McCarthy

Head of School: Mr C Marston

Dear Parents and Carers,

We are delighted to share further details about our new Year 5/6 residential visit to Quex Glamping, which will take place 17th and 18th September 2026.

This exciting residential will involve a one-night stay and two days of outdoor activities, adventures and team-building experiences. The visit has been carefully planned to help children build positive relationships, strengthen class cohesion and create shared memories as they begin the academic year together.

The total cost of the residential is **£85 per child**.

To confirm your child's place, we ask for a **non-refundable deposit of £20**, which must be paid on Arbor by **10th July 2026**. Once your place is confirmed the remaining **final payment of £65** may be paid in instalments with the total due by the **end of October 2026**. We are allowing payment after the trip as we realise this residential is sooner than anticipated.

Please take some time to read through the information provided below regarding the visit, accommodation and planned activities. Information can be found on the next page.

As with all school trips, we are committed to ensuring that every child has the opportunity to attend. If you would like to speak confidentially with Mr Marston or Mr McCarthy regarding payments, please contact the school office to arrange an appointment.

We are very much looking forward to giving the children this fantastic opportunity and know it will provide a memorable and rewarding experience for all involved.

Note: a parent meeting will be arranged for June in T6 (Date TBC) to provide more information.

Yours sincerely,

C. Marston
