Head of School: Mr C Marston

Dear Parents and Carers,

23rd April 2026

We have some exciting news from our Eco-Squad! 🌱

Yesterday in assembly, the Eco-Squad did a fantastic job launching their brand-new recycling project—and they can't wait to get everyone involved. We are asking families to help us collect plastic bottle lids so they can be turned into something amazing for our playground!

It's simple: just send your child in with any clean plastic bottle lids from home. Every Friday, our Eco-Squad members will visit classrooms with our special collection boxes, ready to gather all the lids the children have brought in. This will begin on Friday 1st May.

To make things even more exciting, each week the child who brings in the most bottle lids will receive a special certificate, presented by members of the Eco-Squad during worship. 🇬🇧

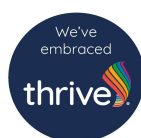

Once the boxes are full, they will be collected by SchoolCycled, who will transform the lids into something wonderful for the children to enjoy. How exciting is that?

We are so proud of the Eco Squad for their enthusiasm and brilliant presentation. With your help, this project will make a real difference—not just for our school, but for the environment too.

Thank you for your support—let's see how many lids we can collect!

Kind regards,

Mrs Bax and the Eco-Squad
