Sports Day 2025

Dear Parents/ Carers,

We would like to invite you to come and support your child/ren at this years Sports Day which is being held during the afternoon of **Monday 19th May, from 1pm until 3:10pm approx.** A little earlier than in previous years!

There will again be a mixture of activity/sports stations followed by the more traditional running races. Every child will take place in the 7 activity stations, where they will all represent and earn points for their houses. The 8th station is a rest stop. Children will move around in year groups, supported by either their Class Teacher or Teaching Assistant. During this part of Sports Day, Parents and family members will be able to watch their children take part at each station from the centre of the field. Following the completion of this stage, the children will then move to sit under the Gazebos for a well-earned rest whilst we move to the traditional positions, sitting alongside the running track.

The PTA will be selling refreshments during the afternoon.

The second part of Sports Day will follow the more traditional running races, where every child will have the opportunity to once again, represent and earn points for their houses on an event of their choice. Running trials will determine which children compete in these races.

For Parents/Carers of children new to the school in Reception, this will be their first Sports Day. For your information, all children are placed into one of 3 houses, we will ensure they are wearing a bib of their house colour. They will require a pair of trainers with good grip, a hat in case of a hot day, a warm sweater in case of a cold day, sun cream lotion which has already been applied, although you may want to send them along with cream to reapply during the afternoon. Finally, a water bottle is essential on this day. Children will come to school already dressed in their PE kit.

We look forward to seeing you on the day.

Yours Sincerely,

Mr Marston

PE Subject Leader
