Monday 8th June - World Oceans Day

Dear Parents/Carers,

On **Monday 8th June**, we are excited to be celebrating **World Oceans Day** in school!

Throughout the day, the children will be learning all about the oceans, including amazing sea creatures, ocean habitats, pollution, and how we can all help to protect our planet.

The children will enjoy lots of fun activities linked to the theme, including art, storytelling, science activities, and live lessons during the day.

Our Eco Squad will also be helping to run the event and will be leading some exciting ocean-themed activities during playtime for everyone to enjoy.

As part of the day, we will be holding a special recycling competition called "**Create a Sea Creature.**" We would love children to **start bringing in clean recyclable plastics** such as plastic bottles, fruit containers, yoghurt pots, plastic bags, and bubble wrap to help create their sea creatures. Please send any recyclable items into school **by Friday 5th June**.

Children are also welcome to come to school wearing **blue clothes** or **ocean-themed outfits** to help us celebrate the day.

We are really looking forward to a fantastic day of learning, creativity, and fun!

Thank you for your continued support.

Mrs Bax
