Inspiring Excellence Together

November 1<sup>st</sup>, 2022

Dear Parents/Carers,

I am sending a message to all parents/carers regarding a serious incident on All Hallows Road yesterday afternoon, outside of school at just after 3pm. A dispute that started with one car overtaking another on Warbreck Hill, continued as both the families involved came to pick up students from outside Montgomery. This was not the result of anything that had happened in school.

Staff on the Bike Sheds Gate were informed of an argument between parents and extra support was radioed for. I myself attended, plus at least 4 other members of staff. As we got to the situation outside the church the situation escalated very quickly. All the staff that were there at that point, put the safety of the surrounding students first and put themselves between the two parties involved. The first priority was to diffuse the situation, and move both parties away from each other and the area. We have discussed the incident with the Police.

Thank you to the parents that have emailed the school to praise the staff that acted quickly to avert the incident becoming even more serious than it already was. We do have multiple members of staff on both exit gates and in Bispham village to ensure our students are safe.

If your child witnessed any of what happened and has been affected by it, please can you let us know so that we can support them further. Also, if you have any concerns regarding this matter, then please do not hesitate to contact myself via [admin@montgomery.fcat.org.uk](mailto:admin@montgomery.fcat.org.uk)

Regards

**Mr. Careless**
