

Year 11 Study Leave Timetable 2022

Revision Booster Sessions Timetable

This timetable sets out the revision and booster sessions for the final two weeks of the Summer Exam Season 2022.

It details what sessions are available from the 13th June to 23rd June.

After school on Monday 13th June your study leave begins and you no longer need to attend school except for your exams. We would also advise you strongly to continue to attend for the pre-exam revision sessions and revision booster sessions.

LILAC – Actual exams

GREEN - Pre-exam revision sessions from 8:10am to 8:40am for morning exams or 12:30pm-1pm for afternoon exams.

ORANGE – Additional revision booster sessions in subjects where there are still exams. Times and rooms are listed.

You must ensure you sign in and out everytime you attend school for a revision booster session.

If you are already in school for an exam you will be asked to leave through the bike sheds gates and then come back in through student services to sign in on the sheets provided.

Full school uniform MUST continue to be worn for exams and all revision and booster sessions.

From Tuesday 14th June there will be no morning break times for year 11. If students are attending the morning booster sessions a drink and a snack will be provided in the session.

On Thursday 16th June students will be expected to sign out and leave the premises after the French/Chemistry sessions at 12:30pm unless they are staying for the French pre-exam revision and the French exam in the afternoon. If they wish to attend the Food/History revision booster session in the afternoon they should sign back into school at 1:30pm through student services.

From Tuesday 21st June there will be no lunchtime provision for year 11.

As outlined in the Headteacher's letter dated 25th May and linked on the school website - if you or your parents feel that you would be able to revise more effectively in a supervised independent learning area in school rather than at home, then please let me know via email c.montgomery@montgomery.fcat.org.uk by Monday 13th June.
