My greatest wish was having new friends.

My worry was probably just getting lost.

3. Was it hard to find your way around?

Not really because when you know which lessons you have and you don't know where to go everyone is here to help.

4. Do you get lots of homework?

In my opinion yes but I guess they only give you it because they want to keep what you have learnt in your brain.

5. Are year 11 students scary?

Not really because how I see them are just tall people that walk around the school like me doing what they should do.

6. Have you joined any clubs/activities at Montgomery?

Yes I have actually. I have joined Netball, Rounders, Football and Homework Clubs. These clubs are very fun and a place to meet new people .

Just ask anyone. Everyone is happy to help and I'm sure that whatever you'll need help with I'm sure they can help you sort it out.

My favourtie subject is P.E. because it's exercise, everyone can have a laugh and it might be one of your new sports.
