Inspiring Excellence Together

March 2026

Dear parent/carer,

We are writing to highlight the **essential value of the final two weeks** before the Easter holiday break. This period of time is carefully balanced between **academic learning, reflection** and **highly enjoyable activities**, allowing students to **consolidate learning, celebrate successes, and enjoy time with friends**. We kindly ask for your support in ensuring high attendance.

## Classroom Learning, Reflection & Consolidation

- **Y11 Walking Talking Mocks:** All Y11 students will take part in English walking talking mocks in the school assembly hall on Thursday 26<sup>th</sup> and Friday 27<sup>th</sup> March; this will prove to be vital experience for all students as they approach their summer exam season. With it now being just over 5 school weeks until the exams begin, we want all Y11 students to seize every moment and opportunity to better themselves.
- **Classroom Learning:** As always, students will continue working and learning right until the final day, to ensure that knowledge and skills are taught with continued high expectations.
- **Success Analysis:** Students will have structured time in lessons to begin reviewing their learning from this term, acknowledge successes, and build confidence.
- **Gap Identification:** Teachers will continue to lead sessions designed to help students **identify and address specific knowledge gaps** from content taught this term. This proactive, personalised guidance is crucial preparation for the summer term and future new content.
- **Refining Understanding:** This time is focused on refining existing knowledge and ensuring concepts are **embedded** with the immediate support of subject specialists.

## End-of-Term Recognition, Celebration & School Community Events

- **Extra-Curricular Activities:** The school continues to offer a vast array of **extra-curricular clubs** for students to join and experience, all of which will run right up until the Easter holidays.
- **Celebration Assemblies:** The school will run **End-of-Term Celebration Assemblies** to publicly recognise and reward the hard work, progress, and outstanding achievements of students across all year groups.
- **Reward Events:** We will be hosting our **end-of-term year group reward events** for invited students who have demonstrated excellent behaviour and conduct throughout the term.
- **End of Term House Rewards/Events:** A vast array of different **End of Term House Rewards/Events**, including breakfasts and last week of term bake sales to raise money for our selected house charities.
- **Attendance Egg-stravaganza:** We will hold a **whole school attendance event** for the final 2 weeks, culminating in a final day egg-stra special treat for those with 100% attendance over the final 2 weeks in the top 2 attending year groups.

The focused learning and celebration events scheduled in these final days provide a significant advantage to students starting the new term in April. Please support your child's success by ensuring their **full attendance over the next two weeks**. This guarantees they finish the term confidently, academically prepared, and celebrated.

Yours sincerely,

Mr Shillitoe  
Assistant Headteacher
