

Remote learning using Google Classroom 2020-2021

Question 1 - What is my school google email/account?

Answer - All Montgomery students have a school Google account and email address layout that is:

Year Group	Username	Password
7	25surnamefirstinitial@montgomery.fcat.org.uk	Monty123
8	24surnamefirstinitial@montgomery.fcat.org.uk	Monty123
9	23surnamefirstinitial@montgomeryschool.co.uk	Monty123
10	17firstinitialsurname@montgomeryschool.co.uk	Monty123
11	16firstinitialsurname@montgomeryschool.co.uk	Monty123

All passwords were originally set to **Monty123** (we can reset this if students have changed it and then forgotten it).

Question 2 - How do I check my username or ask for my email password to be reset?

Answer - Use a separate email account of a sibling or parent to email IT support with your requests through remotelearningitissues@montgomery.fcat.org.uk

Question 3 - Where can Montgomery students find their work for each subject area when they are working from remotely?

Answer - All subject areas issue week by week work instructions for students on the whole school Google Classroom. Once logged into this classroom, students need to use the classwork tab at the top of the classroom to access each subject area.

Question 4 - What instructions have students in each year group been given to access the whole school Google Classroom?

Answer - The Google Classroom codes needed in each Year Group are as follows:

Year Group	Google Classroom Code for whole school remote learning
7	btyg652
8	q6qlmrl
9	54vkjfv
10	qfiyeod
11	ngoohkd

An example of specific instructions is given below for Year 8 but all year groups can use the video links.

Remote Learning Information – YEAR 8

- Dear student, in the event of you having to self-isolate or should we have a local or national lockdown, we have created a new Google Classroom for you to access remote work
- Should you need to access this work, you will need to look for the relevant week (e.g. week 1 will be w/c 1st September) so that you are doing similar work to your peers in school
- If you are well, we expect you to submit completed work online to your teachers so we can provide feedback and support
- You can re-watch the Loom video about accessing and submitting remote learning work via your Google Classroom
- Your Google Classroom code is: [q6qlmrl](#)

Year 8 Google Classroom Sign-in

- 1) **Either** download the Google Classroom App for free on your mobile or android device or open up a web browser like Google Chrome/Explorer/Safari and go to www.google.com
- 2) Open up the App to sign into your Montgomery Google Account or click 'Sign In' in the top right of the Google Home page.
- 3) Sign into your Montgomery Google Account using the following details:
Username – 24surnamefirstinitial@montgomery.fcat.org.uk
Password – Monty123
- 4) Click the  icon in the top right corner of the screen and click the Google classroom icon
- 5) Join the Year 8 Montgomery Classroom using the code – **q6qlmrl**

Please also find videos below that help guide you step by step through the Google Classroom sign up and then how to access and submit assignments:
