Mutual Respect, Ambition and Learning

10th February 2017

Dear Parent/Carer(s),

Please find enclosed a copy of the February half term timetable showing when school will be open for the use of Year 11 students. There are revision classes and controlled assessment sessions on fixed days with specialist members of teaching staff. There are also ECDL sessions and examinations for students that have not yet finished this qualification. M16 will also be open each day from 10am – 2pm for those pupils who wish to do general study in silence.

I hope that your son/daughter will make good use of this time as continued revision now, building on the revision for the mock examinations, will relieve the pressure later in the term.

Please also find enclosed a sheet showing all the after school revision classes and please encourage your son/daughter to attend wherever possible.

Finally can I stress that we are here to support your child in the last few months of Year 11 and if we can be of any assistance please do not hesitate to contact any of the staff in school.

Thanking you in anticipation of your support,

Yours sincerely,

A handwritten signature in black ink that reads 'Clare Montgomery'.

Mrs C Montgomery
Deputy Principal
