

# MUTUAL RESPECT AGENDA

## What is a Mutual Respect Agenda?

This is our commitment to work together, both staff and students, to make Montgomery Academy a safe, respectful and happy place for all.

**Students have voted to work on the following actions as part of our drive to make school a respectful environment:**

- Use manners when speaking to staff (e.g. sorry, excuse me, pardon, please, thank you, sir, miss)
- Do not drop litter - leave areas tidy and use the bins provided
- We will walk on the left hand side of the corridors when moving through school to help make school a calm and respectful environment
- We will open doors for others and give way for/allow other students/staff through doors
