November Examinations Season - 2nd - 21st November 2020

Following the examination results you received on 20th August I hope that you now have a clear pathway in place for your future education. I recognise that some of you will have been disappointed not to receive the results you had hoped for. There is the opportunity for any student who is unhappy with the grade they have been awarded to sit exams in November.

These exams will be available in all GCSE subjects and will be in an identical format to those which would have been taken in the summer. All assessment will be via exam-only, this means that any subject which would have normally involved an element of non-examined assessments (NEAs) will not include this element. The exception to this is GCSE Art & Design, where students will be set a new task to be completed under supervised conditions.

If you choose to sit exams in any GCSE subject in November, your final grade will be the higher of the grade achieved in November or the grade awarded in August 2020. Exams will take place at Montgomery Academy, with the exception of English Language and Mathematics exams for students who achieved below a grade 4. These exams will be taken through your college or other further education provider as is normally the case.

If you would like to discuss sitting exams in any GCSE subject in November, please contact Mrs Mainds via s.mainds@montgomery.fcat.org.uk by Monday 14th September 2020. Any entry requests received after this date will, unfortunately not be accepted due to the examination entry deadline.
