Inspiring Excellence Together

Dear Parent/Carer,

Please find below the information needed for your son/daughter to complete essential and relevant school work while at home. On the back of this letter there are also some year 9 learning ideas to help students to plan and structure their days whilst not in school.

In order to access the online learning documents all students will need to log into **google classrooms** using the email address and password that has been provided by their form tutor at school. In addition to google classroom students can also log into **Seneca** and **Hegarty Maths** for further work to complete.

Please see instructions below when signing into google classroom for the first time.

1. Go to **classroom.google.com** and click Go to **Classroom**.
2. Enter your username (22surnamefirstinitial@montgomery.fcat.org.uk) and click next.
3. Enter your password (Monty123) and click next.
4. If there is a welcome message, read it and click Accept.
5. Click I'm A **Student**.
6. Click "join your first class"
7. Enter the code for your specific classes to join your different "classrooms"
8. Click get started after each class.

Year 9 Learning Ideas

These are ideas/approaches to keeping your learning going whilst at home.

Aim to spend about 2 ½ hours a day doing some of these:

- Read a book (or two!)
- Read to a parent/sibling – then make a quiz to test them!
- Complete the CGP workbooks which have been bought for you
- Exercise! www.olympicchannel.com shows how Olympians are staying fit in quarantine!
- Go on Hegarty maths and upskill yourself for future learning or revisit topics you have already covered
- Go on SENECA and see how many topics you can complete at 80% or above
- Go on Google Classroom (if you can) and have a go at the activities suggested
- Do something creative – bake/draw/build something
- Keep a diary of what you've been up to – spelling has to be perfect!
- Do the notes/pictures for your upcoming Knowledge Organisers
- Make a really tricky quiz for something you have learned recently
- Make flashcards/revision notes for your subjects
- Turn a difficult idea that you have learned about recently into a picture! Can you memorise it?
- Exercise (again)!
- Do some chores ☺ - knowing it'll help others
