## Parent View and communication

Dear Parent/Carer,

As you know your views and feedback are very important to us.

We have all had a very challenging year, but are delighted that at the moment school is fully open and things are slowly getting back to normal. We have been able to start some limited after school clubs back up and running as outlined on the school website:

<https://montgomeryschool.co.uk/curriculum/extra-curricular>

Parents in years 8-11 will remember the questionnaires we would ask you to complete at the end of a parents' evening. As we are currently unable to do this in person, please would you take the time to complete the OfSTED Parent View online form? You need to register on the site to complete the form and can do so following this link:

<https://parentview.ofsted.gov.uk/login?destination=/give-your-views>

It is really important that our families take opportunity to complete this feedback so we are able to see where we are doing things well, but more importantly where there are areas that you would like us to improve the provision for your son/daughter.

We continue to enjoy being able to keep in contact with you via mobile phone/text message. If for any reason you do not believe you receive texts from us (they will be from GROUP CALL) then please contact reception or email the data team, [b.mcguinness@montgomery.fcat.org.uk](mailto:b.mcguinness@montgomery.fcat.org.uk), and we can update your mobile number on our systems.

Please also follow us on Twitter if you do not do so already. Pertinent information and events are showcased @MontgomeryFCAT.

We look forward to returning to face to face events when we are able, but until then we hope to continue to improve the virtual ways of keeping you informed.

Best wishes,

Mrs C Montgomery  
Senior Deputy Headteacher
