Mutual Respect, Ambition and Learning

December 7th, 2017

Dear Parents/Carer,

As you may be aware it has been widely reported in the local press that over the weekend a highly disturbing video was uploaded to Snapchat, which has subsequently been shared by a boy from Lancashire.

The video in question is extremely inappropriate and the content is of a highly sexual nature. It may be possible that your child may have viewed this video.

All local schools are sharing this information with parents and carers in order that they can check their children are safe on-line and ensure privacy settings are set appropriately. Lancashire police are fully aware of the circumstances surrounding this video and are naturally pursuing their lines of enquiry; to date we understand that an arrest has been made in connection with this incident.

We thank you in advance of your support whereby working in partnership we will continue to ensure safe and appropriate use of the internet and in particular the use of social networking sites.

Yours faithfully

Miss G Smith
