## Enrol to study with us in 2021

### *Pre-enrolment* from May onwards

Log in to your application and check your contact details and course choices. Attend our New Student Days both online and onsite.

### *Enrolment Stage 1* 30<sup>th</sup> June to 6<sup>th</sup> July

During this period we will be asking you to upload a photo for your college membership card and provide some evidence of your identity.

### *Enrolment Stage 2* 12<sup>th</sup> 13<sup>th</sup> & 16<sup>th</sup> August

Once you receive your GCSE (and other qualification) results from your school on Thursday 12th August, upload these on to our enrolment portal and confirm your course choices. If you need a discussion of your study programme, we will arrange this with you as soon as possible. Otherwise, you will be automatically enrolled and we will call you before the term starts to check everything is OK.

### *Induction Days* 7<sup>th</sup> September to 10<sup>th</sup> September

You're all set to start college. You will be invited to one of our induction days, held on 7th–10th September. On this day you will meet your Pastoral Mentor who will guide you through a programme of activities to help you settle into college.

From **Monday 13th September** you will begin your full timetable.

Please note that the timing of our enrolment has had to change from what was originally stated earlier in the year. This is due to the change in the date when GCSE results are issued.
