Inspiring Excellence Together

1<sup>st</sup> March 2021

Dear Parent/Carer of a child accessing the in-school Keyworker/Vulnerable student provision,

We are delighted that the Government has announced that we can begin the process of all students returning to school from the 8<sup>th</sup> March. We are also embarking upon a programme of in-school COVID lateral flow testing for students which I'm sure you'll appreciate the logistics around testing over 1000 students are significant.

We have decided that we will stagger the return to school – you should have received this information already; to summarise Year 11 on Monday 8<sup>th</sup> March, Year 10 Tuesday 9<sup>th</sup> March, Year 7 Wednesday 10<sup>th</sup> March, Year 8 Thursday 11<sup>th</sup> March and Year 9 on Friday 12<sup>th</sup> March.

As such we will unfortunately be unable to offer in-school supervision of keyworker and vulnerable students, except for particularly vulnerable families, from Monday 8<sup>th</sup> March until their year group returns on the day detailed above. We propose contacting individually those vulnerable families that we will offer supervision to. If you are not contacted and essentially need a place – please contact the progress manager for your year group.

We trust that the in-school provision we have provided from January until now has been helpful to you as a family and has enabled you to continue providing essential work for the benefit of all or has supported you in a period of particular need.

We all hope that this is the last period of full lock-down and we can get back to full time in-school provision permanently for all,

Please do not hesitate to contact myself or your son/daughter's progress manager if we can be of further assistance,

Best wishes to yourselves and your family,

Mrs C Montgomery  
Senior Deputy Headteacher
