

Music Recovery Curriculum

Year 7 missed - The Orchestra, Opera - William Tell and Carnival of the Animals.

Year 8 missed - Early Pop music, Rock & Roll, Hip Hop & Rap, Chinese and Indian music.

The current year 8 students will spend less time in Year 8 doing practical work based on composers from specified musical periods of time in order to cover the missed topics.

SOW for Year 7 and 8 will remain the same but students will work from booklets where lessons and topics are clearly presented.

Unfortunately, due to timetable issues, there will be no music in year 9 during the COVID timetable. This means students that were in year 8 during lockdown will not have the opportunity to recover missed music curriculum.
