

COVID 19 – Resources for families

Our colleagues in the Children and Young People’s (CYP) Network have gathered together some useful resources for supporting families regarding coronavirus (COVID-19).

Please see below a list of these resources:

- [Information for parents about talking with their children](#)
- [BBC news link with basic advice on how parents should speak to children](#)
- [Helpful, child-friendly information leaflet](#)
- [Dr Chris and Dr Xand explaining COVID on Newsround](#)
- [Dr Ranj from CBeebies talking about COVID](#)
- [Carol Gray has written a Social Story on COVID-19](#)

We will continue to update our library as new resources become available.
