

# Year 6/7 Transition-A moment of reflection!

By Rosie

1. What is the best thing about Montgomery Academy?

The best thing about Montgomery Academy is the different ranges of sports the school does and teaches. They are enjoyable and exciting .

2. What was your greatest wish/worry about moving up to High School?

My worry before moving up to High School was the worry of not making any new friends.

My wish before moving up to High School was to work hard to try to achieve my goals in life.

3. Was it hard to find your way around?

No, you may think the school is going to be hard to get around because of its size but this is not true. Finding your way around school is quite easy.

4. Do you get lots of homework?

No, you do not get as much homework as you think and some teachers set homework every 2 weeks .

5. Are year 11 students scary?

No, Year 11's are not as scary as you think. Even though they might be taller than you they are actually nice!

6. Have you joined any clubs/activities at Montgomery?

Yes , I have joined the netball team, the athletics team, football, the basketball team and space club too. I joined these clubs because I wanted to see who enjoyed the same things I liked.

7. Describe the teachers at Montgomery in 3 words!

Kind, dedicated and patient.

8. What do you do if you need help at High School?

If you need help you can go to your Head of Year, these are called Progress Managers here.

9. What is your favourite subject and why?

Science. This is because you can do amazing, fun experiments.

10. What would be your message to Year 6? There is no need to worry about anything.
